

## **Somaliland Renewable Energy Fund Window 1: Energy Service Providers**

### **Notice Revision to Concept Note Guidelines and Extension of Deadline 21 May 2019**

The ESRES Programme Manager announces the following revisions to the Somaliland Renewable Energy Fund Guidelines for Concept Note Application Window 1:

- The minimum grant amount is reduced from USD 200,000 to USD 100,000. This change modifies sections 1.9, 4.2.1, and 6.4.1, and 2.11 of the eligibility criteria in Annex 3.
- The minimum required renewable energy capacity is reduced from 200 kWp to 100 kWp. This change modifies section 6.2.3 and section 2.7 of the eligibility criteria in Annex 3.
- In consideration of the above changes, the deadline for submitting a completed Concept Note Application Form is extended from 23 May 2019 to 13 June 2019. The notification of short-listed applicants will now occur in by mid-July 2019.

All other terms and conditions presented in the published Guidelines remain unchanged and in full effect.

Any applicant that has submitted an application prior to this notice will be given the opportunity to revise and resubmit their application based on these changes. If there are any questions regarding these changes, please submit them to the ESRES PM at [info@esres-somaliland.org](mailto:info@esres-somaliland.org). We will respond to questions promptly and post all questions and responses on the ESRES website ([www.esres-somaliland.org](http://www.esres-somaliland.org)).
